Enable / Disable Hide Price Extension

Active  
[store view]

Should we hide prices?

Mode  
[store view]

Global - hide price (and show message if not empty) for all products  
Per item - hide price per product, category, customer group (go to product, category, customer group to set it up)

Global: Hide Prices for all products, show hide price message if set

Per Item: Hide Prices for specific product, category or customer group ( you can configure it on product , category, customer group edit pages in backend)

Hide Price Message  
[store view]

supports HTML tags, works only with Global mode

Message that will be shown instead of a product price. Only works for Global mode

No ▼

Do we need to hide price for this product?

Hide Price Message  
[store view]

Show / Hide Editor

A rich text editor interface with a toolbar containing various icons for text formatting (bold, italic, underline, text color, background color), alignment, list creation, indentation, link management, and media insertion. Below the toolbar is a large, empty text area for editing the message content.

**Hide Price for this particular product.  
Only works with Per Item Mode  
(configuration page)**

**Message that will be  
shown in place of a  
price if Hide Price is  
set to Yes.  
Only works with Per  
Item Mode.**
